## LE CHIC

Design by: **Arch. Bonfanti - Moscatelli**

Elegant, trendy, a sofa that regains its softness in the armrest, with distinctive folds expertly created by master craftsmen which are closed by a thin strap with button. The soft seat can be enriched with contrasting pillows in leather or fabric, the optional headrest makes it even more valuable and comfortable, adding and removing it according to individual needs.

### Technical information

**Frame:** Structure in plywood

**Seat cushion padding:** Variable-density polyurethane foam padding

**Cover:** Leather or Fabric
